## EVENT WEBPAGE ALREADY GENERATED (YOU CAN STILL VIEW IT ON YOUR DASHBOARD)

Attract attendees to your event more easily with a modern Website Builder. All templates have the option of displaying your agenda, speaker list, exhibitor list, sponsor list, and venue location.

### WHOVA TEMPLATE PREVIEW Fuji

## NAME BADGES

Make branded name badges in minutes with customizable templates. Generate name badges for your attendees and choose from a range of stylish templates. Use the badge editor to customize the font size, style, and colors. [Fun fact: 28% of users use this feature](#)

## SPEAKER RESOURCES

Simplify event logistics and give your speaker a better experience.

Speaker resources allow you to give your speakers tools in the Whova App which will help them during your event.

## SOCIAL WALL

Engage attendees with real-time event activity on a big screen.

Showcase live event activities and provide your attendees with an interactive display. You can easily share announcements and highlight your sponsors and exhibitors. All you need is a big screen to get started. **Fun fact: 23% of users use this feature**

## EVENT PROMO IMAGES

Save time promoting your event and go viral on social media.

We have multiple templates for event images, session and speaker images, as well as sponsor and exhibitor images. Organizers can post their images on social media from the dashboard and even schedule them.

Whova

## LEADERBOARD CONTEST

Motivate attendees to participate in your event app community.

Attendees will earn points based on their participation in the community board. As the organizer, you can decide which of the top participants will earn a prize. Note: organizers will not be displayed on the leaderboard. **Fun fact: 15% of users use this feature**

## CAPTION CONTEST

Break the ice between attendees and make your event more fun.

Attendees upload photos and can write captions on all photos on the Whova app to enter the contest. As the organizer, you are the judge and will choose and announce the winners.

## SESSION FEEDBACK

Easily gather attendee feedback to improve the event experience.

Collect feedback on a per session-basis. These questions will appear on every session in the app. Use the default questions or edit them and create your own. **Fun fact: 36% of users use this feature**

## SURVEY

Save time creating surveys with event-specific templates.

You can create and customize web and mobile surveys within Whova. Use one of the many survey templates we provide or create your survey from scratch. You can also reload and revise surveys from your past events with Whova. **Fun fact: 29% of users use this feature**

## TICKET SESSION MAPPING

Ensure attendees have the right tickets by defining each ticket type. Ticket Session Mapping allows you to assign registered attendees and tickets to specific days and sessions. This feature can also be used to verify attendees at check-in, customize personal agendas, and include ticket types on name badges. To add or edit registered ticket types, update your attendee list.

## SESSION CAP

Easily prevent overcapacity at intimate or popular sessions. With the Session Cap, you can set a capacity on your sessions, enroll your attendees into sessions ahead of time, and also check-in your attendees on a session-by-session basis.

Session	Set Capacity	Waitlist	# Enrolled	
<b>Settling into an increasingly hostile world: the rapidly closing "recruitment window" for corals.</b> Merrick Oct 08, 2022 08:15 AM - 08:30 AM	100	<input checked="" type="checkbox"/>	0/100	Action ▾

# THANK YOU!

It's been a pleasure to build a better event experience for you and your attendees. If you have any feedback for us, please send it our way. It would be greatly appreciated.

A great place to input feedback is through the survey we send after the end of your event. Here you can add any comment or feedback. Let us know if there is anything we can do!
